

Commercial Management Accountant

Acceleration provides unrivalled digital marketing consulting, outsourcing and technology services to clients around the world. We have more than a decade of experience creating client focussed solutions that optimise Software as a Service marketing technologies, automate complex processes, harmonize technology and maximize our clients' return on digital investments.

With key offices in London and New York, Acceleration employs expert teams throughout North America, South America, Europe, the Middle East and Africa, and maintains strategic partnerships with industry leaders including Omniture, Google, DoubleClick and Epsilon.

We aren't your typical company. We do things that haven't been done before, and our employees are some of the best in the world when it comes to maximizing client return on digital marketing investments.

Acceleration's continued drive to become the pre-eminent Software as a Service (SaaS) marketing technology provider, which operates in a vibrant and complex environment offering consulting, out-sourcing and technology services, has created the need for a CIMA finalist or passed finalist to join our dynamic finance environment. Working under the Commercial Director and supporting the Management Accountant your main responsibilities will be:

Responsibilities

- ▣ Governance of the timesheet system and the related processes
